On February 14th, girls may want to be wined and dined, but what about the grind? With a spot of spanking thrown in like a last minute box of Celebrations from the garage? "Paddle my arse till the cheeks are glowing red then give my hole a good poke!" demands saucy slattern Satine. And who can refuse a girl on Valentine's Day?

strapped my hands to the bedstead and blindfolded me.

Bob started playing with my wangers, sucking my nipples and then moving his mouth down to my pussy to start licking and playing with my clit.

He would get me almost to orgasm and then stop. It was driving me crazy.

I heard Bob get a text and he disappeared for a while.

When

he came back he started sucking my left nipple and then to my surprise I felt lips on my right one at the same time!

Bob licked my wet pussy and then stuck his great cock in there. As he shagged the

ping between holes until Bob untied me.

I sucked two cocks at once and also got royally spitroasted for ages. It felt so good having two cocks at once.

I ended up on my back as both of them spunked all over my tits.

The other cock belonged to one of our mates who has always wanted to shag me.

What a birthday present! I would love to do it again, maybe with some more cocks to suck on. Would also love to taste pussy for the first time!

Debbie, Yorks.

Text maniac

It was my birthday last week so when I got home from work I went to the bathroom to freshen up and look good for the night ahead.

I shaved my pussy as that's the way my husband likes it.

He came in while I was soaking in the bath and watched me lathering my

body and shaving my pussy. When I got out he told me to come into the bedroom and lie down. I did so and he

Clean fun

I've been cleaning people's houses for ten years and haven't once had a sniff of cock, until last month.

All the sex is in my private life as a swinger!

A new couple moved into our village recently. One morning I'd been cleaning their house. Everywhere I looked there was a white towel.

To the untrained eye this would have meant nothing – but not to a swinger's eye!

I was getting horny just thinking about the orgy this place must have seen, so when I went upstairs to clean the bedrooms and found a couple in the first room I went in to I was ready for anything.

The man was sitting up in bed, naked, and the woman was on all fours in front of him sucking greedily on his cock!

I was caught in two minds, should I stand there and watch in the hope that they might invite me in or should I get out of there in case I lost

I liked how she tasted so plunged my tongue inside

my job? But it was decided for me when the guy opened his eyes and smiled at me.

He tapped the woman on the shoulder and nodded towards me and she took his cock calmly out of her

mouth and asked me if I wanted to join them.

I stripped quickly because they looked like they had already been at it for a while, and knelt behind the woman.

Her pussy was shaven and wide open. Her juices looked tasty so I had a lick. I liked how she tasted so plunged my tongue deep inside, pulling her bum cheeks open to give me more room.

After I'd had my fill of her pussy it was time to try out his cock for flavour.

I kissed her as she wanked him off just inches from our faces and then she offered me his seven inches to suck.

She guided his rod into my mouth, pushing it into my cheek as I grabbed his balls and heard the sharp intake of his breath.

Then we frenched around his glans, she and I toying with him.

"Come on, fuck her," she murmured to him and I lay back on the bed as he climbed in between my thighs and she pushed his dick into my juicy wet pussy.

Then she climbed onto my face and ground her cunt

into my mouth as he pumped my pussy slow. When he started to fuck me harder she reached down and toied with my clit as I shoved my tongue right up her snatch.

And when she bent forward and began to lick and suck on my engorged button his thrusts began to come faster and his moans grew louder.

They made me cum so hard I cried out but my moans were muffled by her pussy.

It all happened so fast and frantic and when I got dressed they carried on fucking in front of me – they were still humping furiously when I shut the front door behind me...

Tammy, Watford.

REAL WIFE SEX

Gabby,
London

If you're going to lose your swinger virginity you might as well do it in style, like Gabby!

I'd always wanted to be a swinger, but living on the Isle Of Man meant everyone knew everybody else's business and you can imagine how it would have been if everyone knew of my sexual antics – one night stands were bad enough!

Last year I finally moved to the mainland, and where else would a girl itching for lots of sex go than to the big bad capital, London.

Even so, having no idea exactly how to go about getting myself invited to swinger parties, it was at least six months before I got my bearings, finding out from a girl I was temping for a week with that there were plenty of fetish clubs in town, and that I just needed to know where to look.

I'm not into the fetish scene, I discovered one night when I actually found one

The room was full of naked fuckers

and plucked up the courage to go. Too much obsession with how you look and not enough obsessing about how my pussy tastes!

But through that night I met a couple who told me they were swingers and that they were having a party the very next weekend if I wanted to come along.

Damn right I did!

Walking up their garden path, I was a mixture of feelings. On the one hand I was horny as hell, my mind playing in graphic details every fantasy I'd ever had about orgies, while on the other I was scared stiff!

For the first hour, it was just like any other house party I had ever been to – quite boring really, just a lot of mingling and small talk. But things changed the more the drinks began to flow.

It started with this big guy on the sofa and his small girlfriend indulging in some face sucking.

Everyone was glancing their way, watching, I realised later, for them to make the first real move.

The guy began to grope the girl's small breasts, eventually unbuttoning her blouse to reveal a half cup bra, her rock solid nipples poking out from above the lacy material.

It was like a watershed moment, as they were joined on the sofa by another couple, who sat either side of them, the guy helping himself to a piece of the

CHEERFUL POPPERS!

topless girl's boobs while his girlfriend in turn began to undo the big guy's trousers, fishing out an impressive looking erection.

Looking around me, it appeared that everyone had taken it as their cue to undress, and soon the room was full of naked people, licking, kissing, sucking and fucking each other.

Then Mike, the man whose party it was, appeared beside me, starkers.

"Are you okay there, Gabby?" he asked. "I guess you're wondering how to begin. Come with me, I'll introduce you to a few people, see who you like the look of, yeah?"

My pussy was grateful – it was drenched with juices from being exposed to so much sex in such a confined space.

Taking me into the back room, where just like before, everyone was starkers and in the middle of a big sex party, he

told me I should get undressed if I wanted to and come and join the fun, sitting down on the floor and rubbing his hands over a woman's thighs who was lying on her back, getting eaten out by this slip of a girl.

I stripped as he watched me, feeling ever so sexy as I watched his dick begin

She fished out his impressive stiffy

to thicken and rise.

"Come and sit beside me," he said and I did. "Isn't she sexy?" he asked, nodding toward the woman getting head.

But I wasn't interested in watching anymore. I reached out for his dick and said, "This is more what I'm interested in."

He knew it was my first time at an orgy, but I think he must have realised

that the time for watching was over and that I needed a good hard fuck to get me nice and relaxed if I was going to stay the course.

"Well, I can never refuse a beautiful woman," he said and kissed me hard on the mouth, pushing me down to lay beside the other woman and eating my pussy out like a man possessed of an unquenchable thirst.

I returned the favour, moving my glossed lips over his shaft, licking it then opening my mouth wide and tapping his helmet against my tongue. I could feel as well as see how frustrated he was getting – his hands were clasped behind the back of his head, his knuckles white, and I think he would have preferred them to be on my head, shoving it on his dick.

I finally took as much of his prick in my

Big in Japan

My husband and I have just got back from a holiday in Japan where we visited some weird and wonderful sex clubs, but it was the unplanned fuck that was the most fun.

I'm a bit – well, alright, a

My husband sat on the balcony and watched as I stood across the street from him, wearing nothing but a long coat, some high heels and a pair of stockings and suspenders.

The first worthy flashees were two young men, walking along together, and when

lot – of an exhibitionist. For a woman, flashing is very assertive – it gives you power over so many men.

One night, I decided to go out onto the street and wait for people to give a quick flash of my body to from across the road of our hotel.

they got close enough to me, I smiled and let my coat fall open, giving them a good glimpse of my trim pussy and plenty of cleavage and they almost jumped clean across the street!

But a minute later an older businessman came along,

clutching a briefcase in one hand and an umbrella in the other.

This time, I waited till he was close enough and then raised a leg so that he could see past my stocking tops.

When he saw me, he stopped dead in his tracks and I took it that this meant he would like to see more.

Standing up straight, I gave him the same view the last two had but this time he didn't run away, he stood transfixed.

The thought occurred to me that I could melt into the shadows and see if he followed, because if he did then he and me and my husband were all going to have a good time.

So I slipped back into a doorway, walking backwards, keeping eye contact with him, and sure enough, he followed.

From where I was standing I could clearly see our hotel room balcony, my husband's head poking over the edge,

and when the guy appeared right in front of me, I made sure my hubby could see us well enough.

The businessman said something in Japanese and then knelt in front of me. Parting my coat, he began to kiss my stomach and thighs, and I opened my legs wide enough for him to be able to kiss my cunt, too.

He got right in there, slurping at my pussy and drilling his tongue up my hole, and he was good at it, really knowing where the sweet spot was.

If he was this filthy, I thought, I'm going to have him eat my arsehole too, and I turned around and draped my coat over his head so that he could see nothing – it would

all have to be done through sense of touch now...

He seemed unfazed, almost more turned on by this change of events, and I felt his tongue probing both my holes, spreading my juices all over my arse and thighs.

I came quickly, shuddering at his touch, and once I had orgasmed, he stood up, my pussy juices smeared all over his face, muttered something else in Japanese, bowed, and went on his way.

I went back to my room where my husband was waiting to fuck me hard over the balcony.

Mary, Bristol.

Boss toss

My 60-year-old boss found out that I send pics into *Escort* magazine and insisted on taking a few amateur pics himself.

It started off in his office early one morning with me posing, holding my glasses in my mouth, doing a couple of pouting looks to the camera, sitting on the chair so he could see up my ever-rising

take some pussy shots. His breathing was getting heavier and heavier as I moved my fingers all around my pussy lips, wanking myself so hard I came and didn't hold back as a almighty orgasm shuddered through my whole body and I let out a loud scream.

Still clicking away I could see a massive bulge appearing in his trousers and he noticed me looking at it.

He told me he wanted

me to suck him off for another £100 but by this time I was so turned on I would have done it for nothing.

As he placed his camera down I knelt in front of him and pulled his big cock out, I started teasing him first by kissing his knob and licking up and down his shaft, leaving my red lipstick marks all over his dick.

I tried to give my old

it was as if he hadn't wanked for years. I took his spurting cock from my mouth and aimed it so he shot the remains over my tits.

To my amazement he hadn't finished with me yet. He roughly turned me around, bent me over the desk then ripped my knickers off and entered me from behind.

Before I could say, "I don't let anyone else fuck me except my husband," he was fucking me like a man possessed.

My old boss's cock was stretching my pussy like it had never been stretched before.

I started wanking my pussy again as he was thrusting in and out of me. It felt so fucking good that I came a few times in a row but unfortunately he came straight away too!

He pulled his dick out of me and his cum slowly trickled out my pussy and down my leg.

I ran to the ladies room to clean myself off and when I entered the office again my boss was sitting at his desk

with a bunch of letters in his hand that he said needed to be typed and sent out ASAP.

We didn't get much work done that day but I have to admit it was one of the sexiest days I have ever had and the best ever pay day too!

But how was I going to explain my ripped knickers and where all the money came from to my husband?

Ria, Birmingham.

I left red lipstick marks up his shaft

skirt, that sort of thing.

Then he asked me if I would play with my pussy for an extra £100 so I put my hand down my knickers and started to wank myself off as he started clicking away again.

I could not believe I was exposing myself in front of a complete stranger and my pussy was soaking wet.

He ordered me to lie on the desk and pull my knickers to one side so he could

boss deep throat but realised as I was gagging that his cock was just too fucking big.

So I wanked him off with one hand while softly running my nails around his ball sack with the other. He felt so nice and so big as I thrust my head back and forth along his old cock, then without a warning he shot out a load of hot sticky spunk all the way down my throat which nearly choked me.

There was so much cum

Rich tells all**

DEAR ESCORT,
We had never done anything like this before – contacting a naughty guy after he wrote a horny letter to us.

Dave, Caz and myself (her husband) texted each other for a while to get to know each other, then finally bit the bullet and arranged to meet in a hotel room.

We agreed that if there wasn't an immediate attraction we would have a drink and say goodbye but we needn't have worried. Caz was drooling when she met Dave.

He was about six foot tall, quite slim and looked very fit. He was going to need to be!

We were all nervous so I suggested a drink which went down very well – and quickly.

Dave watched intently as I stroked Caz's pussy through her white thong. "Wow, you're wet already darling! Feel that, Dave," I said.

He eagerly put his hand on her mound and Caz groaned as he ran his fingers over her hot

swollen slit, nipples stiffly poking out over her low-cut bra.

I squeezed and sucked her tits as Dave kissed his way up her open thighs.

Caz took my pre-cum oozing shaft and licked and sucked it while Dave pulled her thong aside and greedily lapped at her creamy lips and hard clit.

That was it for me – I gushed what felt like

He built up a deep thrusting rhythm, ploughing into her while Caz clawed at his back, shouting, "Fuck yes, fuck me, I'm cumming!"

Dave couldn't hold back any longer and with piston-like thrusts pumped his thick cream into her aching snatch.

They clung to each other gasping as their orgasms subsided. Caz looked up

gallons of hot spunk as Caz sucked on my spurting dick.

Caz was near to her first orgasm, writhing and moaning as Dave slurped from her quim.

"I need a cock!" she gasped and after a nod from me Dave's thick meaty one was out like a flash. He rubbed the tip of his dick from bum to clit, coating it in her flowing juices.

Then he slowly entered her, letting her feel every inch of his meat till his balls were grinding against her bum cheeks.

at me, spluttered, "Oh my God!" and I kissed her passionately.

It was the first act of an amazing six hour session. Dave and I took turns taking pics and video. He still texts me about the last "animal" fuck now.

They were at each other like rabbits with Dave cumming twice more and Caz waking our hotel neighbours with her explosive orgasm.

We are hoping for lots more horny guys for Caz so if you think you could be one please write to us!

REAL WIFE SEX

Gabby's story continued from page 19

mouth as I could and playing my tongue over every inch of it.

I got so caught up in sucking him that I didn't notice another chap coming up behind me until he started feeling up my snatch. He fed his cock slowly up my juicy hole.

That didn't me off my stroke, and the Mike just took it slow until I'd sucked him off. I laid it on thick, slurping and moaning around his meat, then cupped his balls, giving them a tickle as he lost his creamy wad on my tongue.

I let it all gather there, then let it run down my chin and onto my tits in little streams, rubbing it in.

The bloke behind me lay down on the floor and I immediately straddled him. I shoved his prick straight up my snatch and as I rode him, my tits bouncing all over the place.

I grasped my tits in my hands and tugged on the nipples, sending little electric shocks of pleasure through my body.

As I felt him get even closer to cumming, I squeezed and tugged on his dick

with my pussy, which brought him right to the brink. So I rolled over and told him to fuck me from behind.

He pushed his fat cock up me and I looked down at the woman beside me.

The right thing to do was kiss her, I thought, but before I could do that, a thin cock with a slight bend in it appeared before my face.

Seemed the right thing to do was to

He fed his cock up my juicy hole

suck on what was offered me!

I took it into my mouth and was slightly shocked when its owner began to fuck my mouth, sliding himself in and out slowly.

It was the most erotic thing I had ever done in my life up to then – everywhere I looked people were fucking. Mike was screwing me with such aplomb that when I came I felt no shame in letting the whole room know it.

And my moaning repeatedly that I was

cumming drove on those around me. Soon, the dick in my face was gushing spunk onto my chin and others around me were groaning their way through their own orgasms.

As I relaxed, bathed in the man juice of what seemed like hundreds I looked with satisfaction at the rutting knots

of figures around me. Some girls were enjoying intimate shagging in the corners with their partners, others were taking on all-comers, people they'd only just met and the air was thick with the heat and odour of sex. It was almost trippy!

I looked down and a pair of eyes

The air was thick with sex heat

peered up at me. The girl who had been lying next to me was cleaning my spunky cunt with her tongue. What a perfect end to the night!

Now I hold my own sex parties, but I have to thank Mike and his girlfriend for introducing me to so many like-minded people, and for helping me to pop my own swinger cherry. Thanks guys.

Every screw just seemed to fire me up for the next one. I don't know what my next sexual adventure's going to be – maybe my first all-girl orgy? 🍆

JADE

When a girl looks in a mirror we normally tell her to stop preening herself and pay attention to something more important – like the relative hardness of what's in our pants.

But we'll let Jade off as she's not putting on mascara and making that horrible face you see late-running office workers do when putting on lipstick on the bus, but giving us a 360 degree view of her rather bootalicious bod.

"I like seeing myself in the mirror when I'm getting fucked," grins Jade. "I can see as well as feel your cock slamming in and out of my hot pink hole. It makes me cum a whole lot harder!"

A slave to lust

I've been to loads of swing parties, but it's never enough for me. I love sex, always have, and I do like to go to parties and fuck.

But the trouble with going to swinging parties is that everyone's either in a couple or they're single girls, and I want to meet loads of single guys!

What I love is to be used. I want you to look at my body and see it for what it is, a body built for fucking!

If I could, I would have as many men as it is possible to get into my house – men in the living room, the kitchen, the bedroom, the bathroom, all of them naked

Amanda, Woking

with their dicks hard as steel, just waiting for me to come into the room and be fucked by them.

I would start in the living room, down on my knees as all of you took it in turns

off who was in there – it is a place to eat, after all!

I'm wet right now just thinking about all those lovely cocks waiting to be sucked on.

Then I'd make my way upstairs, but before I got up

Take it in turns to stuff it up me

to fuck me or stuff your fat dicks into my mouth, until you had filled me with your cum.

Then I would go into the kitchen and suck every guy

there, I would have to sit on every guy's lap because it would be great if there were a few men on the stairs, waiting for me to service them.

I could sit and grind my

Opportunity cocks

My wife Jane's a bit of an opportunist when it comes to sex – if she's got the horn and even the merest sniff of a bunk up comes her way then she'll bite!

While I was out at work last week she was at home screwing the supermarket delivery guy!

We get it delivered every week, but it sounds like this wasn't the regular old boy who normally delivers but a 30-something fella she hadn't seen before.

"Where do you want it?" he asked when she opened the door and Jane couldn't resist.

"Wherever you want to put it," she said, and I know just how filthy she can make anything sound when she wants to.

He brought the first few bags in and went out to get the rest, and when he came back Jane was in her underwear, waiting for him.

"Do you have any other deliveries?" she said, her fingers sliding into the waistband of her knickers.

I don't know what the guy said then, Jane doesn't remember, but I do know that thirty seconds later Jane was on the sofa, her legs as wide as she could spread them and his face planted right between them, slurping on her pussy like a trooper!

He was pretty rough by the sounds of it, sticking two fingers up her twat and fucking her hard with them as he watched her, her pussy juice spread all over his chin and

mouth.

When he stood up to undress Jane sat straight up and waited for his dick to spring out at her, which it did, right into her gob.

It's no surprise to me that he didn't get past the blow job because Jane has sucked so much dick in her time that it takes a certain kind of man to keep himself from dumping

his load down her throat before he's even waved it at her cunt.

Three minutes later, after she'd deep throat him and worked herself up and down his shaft, he shot a massive load of jizz into her mouth – there was so much of it that the poor girl couldn't keep it all in and a jet squeaked out of the corner of her mouth

pussy onto one dick while sucking on the one above it and work my way up to the top, emptying every sack as I went.

Then in the bedroom I would want the bed to be covered in guys waiting for their turn and we could all fuck in every position imaginable, just as long as they all

fuck me hard and treat me like a sex slave, there to be used and nothing more.

My holes would be sore with the pistoning of hard pumping cocks relentlessly in and out, in and out of me.

Once I was totally and utterly fucked silly, until my pussy and mouth were aching, I would go into the bathroom to get 'cleaned up'.

Only, as far as I'm concerned, getting cleaned up means being washed in sperm. In here, I would lie in the bath and loads of guys could stand around it, either wanking themselves off onto me or letting me do it for them.

I'm so wet now just thinking about this that I'm trying to type this with one hand because my other one is busy rubbing my clit and fingering my hole.

Are you out there you guys who can help me? Are your cocks hard right now thinking about using my body?

Get in contact with me, I can't wait to be used by you.

Amanda, Woking.

and ran down her face, onto her cleavage.

But where one man fails, another succeeds, and when I got home that evening, it was to a bird with a serious case of the horn.

I got in and sat on the same sofa that she'd earlier gobbled a total stranger off on, and she was on me, pulling off my tie, dragging my shirt open, bragging about what she'd done.

"And now I need some-

one to fuck me..." she said one she had me naked.

"Show me what you did to him first," I said. So Jane blew me as I stood there in the same spot he was in, until it was way past the moment he'd splashed out.

"Now give me the fucking I've been waiting for all day," she said, getting down on the floor and spreading her legs. She always gets what she wants!

Cam shaft

I get really turned-on having my picture taken and it drives me wild when it's not by my old man!

One night on holiday we met a bloke interested in joining us for a threesome.

I went back to our room while the two chaps got the camera ready and had a drink.

As you can see from my pictures I put on my sexiest

ing the pair of them, showing them glimpses of boob, bum and pussy.

Meanwhile the fellas stroked their cocks and enjoyed the show.

God my pussy was wet, so I crawled over to take my old man's cock in my mouth while our new mate came behind me and with large circular strokes started massaging my arse cheeks till my pussy was wide open.

I was begging now to be

fucked as hard as possible and I knew they were only too happy to oblige.

As my old man pushed me on to the bed and rammed his cock up my pussy, the other chap stood above my tits, wanking his cock furiously.

I screamed I was cumming and that was enough to send them over the edge.

The two men shot their hot spunk all over my large quivering tits, all of us groaning
